

## Health & Safety Statement

In recognition of our responsibilities under the Safety, Health and Welfare legislation, Beaumont Hospital Foundation is committed to providing and maintaining safe and healthy working and volunteering conditions by the following measures:

- By doing all that is reasonably practicable through the provision and maintenance of a safe place of work, safe access and egress, safe systems of work and the provision of competent workers to prevent injury or ill health to all members of staff and volunteers affected by the Foundation's activities.
- By providing training and instruction, to enable employees to perform their work safely and volunteers to perform their roles safely.
- By bringing the Foundation's H&S policy to the attention of all staff
- By maintaining a constant and continuing interest in health and safety matters pertinent to the Foundation's activities.
- By encouraging full and effective joint consultation on all health and safety matters between staff and volunteers.

All members of staff and volunteers are invited to contribute to the continuous improvement of safety, health and welfare by making suggestions for improvement to the Managing Director
